Students and staff can also use the 10 computers in the library- for research, for working on projects, essays, presentations etc.

OTHER THINGS TO NOTE

Membership

Membership is free and open to all staff and students in St. Michael's College. Once a completed form is returned to the librarian, a membership card will be issued and kept at the desk.

Access

See opening hours opposite. Students who wish to use the library during class time must have written permission from their teacher. The library may also be used for class visits and talks- access may be limited at these times.

Loans

Items must be returned on or before their due date- students are responsible for the return or replacement of borrowed items.

Rules

Food & drink, excessive noise and mobile phones in use for non-school purposes are not allowed in the library.
